

Effortlessly email payroll documents from Microsoft Dynamics GP

ePayStub for Microsoft Dynamics GP's Canadian Payroll module provides Payroll Administrators with the ability to email out employee paystubs, T4's, T4A's and R1's.

Easy to Setup & Easy to Use

- With only a few steps, ePayStub can be quickly installed into your GP environment and instantly ready to use – with little setup and easy maintenance!

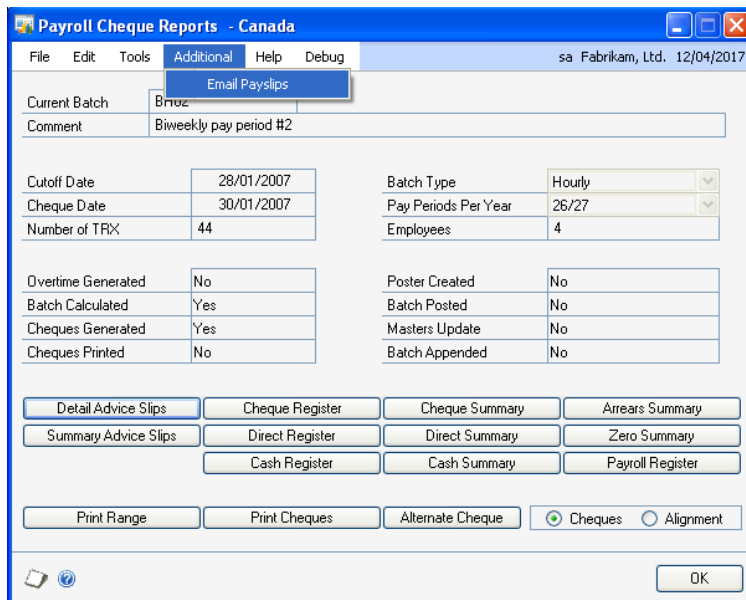

Great Timesaver for Canadian Payroll Users

ePayStub for Canadian Payroll is a huge timesaver! Not only is it simple for payroll staff to use, it's appreciated by employees, offering functionality such as:

- Secure document distribution*
- Choose from either PDF or HTML delivery format
- Utilize Adobe Acrobat Writer Pro or Standard to create PDF's
- The ability to send in batches

Benefits

- Instantaneously deliver paystubs, T4's, T4A's and R1's to employees – regardless of their location
- Save time by eliminating the need to print, fold, and stuff paystubs into envelopes
- Save money on paper and postage costs
- Take steps towards a greener office environment

*One copy of a T4 can be distributed if employee's consent has been received in writing or electronically.

The Payroll Cheque Reports – Canada window, with a new additional menu item “Email Payslips”.
